

Senior Project Engineer – Mr. A. Karthi

Mr. A. Karthi is a highly skilled Senior Project Engineer with over 9 years of experience in EPC project execution, team leadership, contractor coordination, and site field survey studies. He possesses a strong technical background in solar power projects, with expertise in planning, execution and quality management as per ISO Standards

Professional Experience:

Progen Renewables Limited (2018 -Present)

Serving as Senior Project Engineer, successfully led multiple solar EPC projects from initiation to commissioning. He has demonstrated exceptional capability in ensuring timely project completion, maintaining strict adherence to quality standards, and managing cross-functional coordination among teams and contractors.

Progen Energy Solutions (2015 - 2017)

Worked as a Project Engineer, where he was responsible for project site management, material handling, and ensuring execution as per design and client specifications. His proactive approach contributed to achieving project milestones efficiently.

Educational Qualification:

- Bachelor of Engineering (B.E.) in Electrical & Electronics Engineering
Nandha Engineering College, 2009
