

CODE OF CONDUCT FOR SENIOR MANAGEMENT

PREAMBLE

This Code of Conduct for Senior Management Policy (“the Code”) is established to ensure that the Senior Management Personnel of the Company uphold the highest standards of professionalism, integrity, transparency, and ethical behaviour in the performance of their duties.

Senior Management plays a key role in implementing the Company’s strategy, maintaining operational efficiency, and ensuring compliance with applicable laws and corporate governance standards. This Code serves as a guiding framework for decision-making and conduct in day-to-day business activities, ensuring that all actions align with the Company’s values, policies, and long-term objectives.

Applicability

This Policy applies to all Senior Management Personnel of the Company, including but not limited to:

- ❖ Finance Manager
- ❖ Accounts Manager
- ❖ Project Manager
- ❖ Senior Project Engineer
- ❖ Documentation Manager

All individuals covered under this Code are expected to comply with its provisions in both letter and spirit at all times during their employment or association with the Company.

Objectives

The objectives of this Code are as follows:

- To promote ethical conduct, integrity, and accountability among Senior Management.
- To ensure compliance with applicable laws, rules, regulations, and internal policies.
- To support transparent and fair decision-making processes.
- To safeguard the Company's reputation, assets, and confidential information.
- To prevent conflicts of interest and unethical practices.
- To strengthen corporate governance and internal control systems.
- To ensure responsible leadership in managing Company operations.
- To protect the interests of stakeholders, including employees, shareholders, and customers.

Key Requirements

1. Ethical Conduct and Integrity

Senior Management shall act with honesty, integrity, fairness, and professionalism in all business dealings. They are expected to set an example for employees and promote an ethical work culture across the organization.

2. Compliance with Laws and Policies

Senior Management shall ensure strict compliance with all applicable statutory requirements, regulatory guidelines, and internal Company policies, including financial, operational, and governance standards.

3. Conflict of Interest

Senior Management shall avoid any situation that may create a conflict between personal interests and the interests of the Company. Any actual or potential conflict must be disclosed immediately to the appropriate authority.

4. Confidentiality and Data Protection

Senior Management shall maintain strict confidentiality of all sensitive business information, including financial data, strategic plans, customer details, and unpublished price-sensitive information. Such information shall not be misused or disclosed without authorization.

5. Fair Business Practices

Senior Management shall ensure fair treatment of employees, customers, vendors, regulators, and stakeholders. They shall avoid unfair trade practices, discrimination, or misuse of authority.

6. Use of Company Resources

Company assets, resources, and systems shall be used responsibly and solely for legitimate business purposes. Misuse or unauthorized use of Company resources is strictly prohibited.

7. Financial Integrity and Reporting

Senior Management shall ensure accuracy, transparency, and completeness in financial reporting and internal records. All transactions must be properly authorized, recorded, and reported in compliance with applicable accounting standards.

8. Workplace Conduct and Leadership

Senior Management shall promote a positive work environment that encourages teamwork, respect, inclusion, and professional growth. They shall not engage in harassment, discrimination, or abusive behaviour.

9. Insider Trading Compliance

Senior Management shall comply with applicable insider trading regulations and shall not trade in Company securities based on unpublished price-sensitive information.

Compliance with the Code

All Senior Management Personnel shall adhere strictly to this Code and are responsible for ensuring compliance within their respective functions.

An annual declaration confirming compliance with this Code may be required. Any violation or suspected breach shall be reported to the Compliance Officer or designated authority. Appropriate disciplinary action may be taken in accordance with Company policies and applicable laws.

Amendment

This Code may be reviewed, modified, or amended by the Company from time to time in accordance with changes in law, regulatory requirements, or organizational needs.

Any amendments shall be approved by the appropriate authority as designated by the Board of Directors and shall be communicated to all concerned personnel.

Reporting

Any instance of unethical behaviour, misconduct, violation of laws, or breach of this Code shall be reported immediately to the Compliance Officer, Human Resources Department, or any authorized representative of the Company.

The Company assures that all reports made in good faith will be treated confidentially and will not result in retaliation or victimization. Prompt investigation and appropriate corrective action shall be taken wherever necessary.
