

Promoter / Executive Profile – Hari Basker R

Hari Basker R is a distinguished **Industrial Engineer, Lead Auditor, and Compliance Specialist** with over **35 years of professional experience** spanning industrial productivity, ISO management systems, energy efficiency, occupational health & safety, environmental management, and social accountability. His career reflects a rare blend of **technical, ethical, and operational expertise**, making him a key figure in guiding organizations toward sustainable growth and regulatory excellence.

Hari Basker began his career with the **Productivity Council of Tamil Nadu** and engineering companies during the 1990s, where he worked extensively on **productivity and quality improvement projects**, helping industries optimize processes and enhance output. His deep understanding of manufacturing systems and operational workflows positioned him as a go-to expert for improving efficiency.

From 2004 to 2010, he served as **General Manager – Standards Compliance** at the **Tiruppur Exporters Association**, where he was instrumental in helping member industries meet global buyer requirements for quality, safety, labor standards, and environmental compliance — a critical factor for sustaining export growth.

In 2010, Hari Basker joined **TÜV Rheinland**, a renowned German multinational specializing in certification and auditing, where he worked until 2023. During this period, he gained extensive international exposure, conducting **hundreds of audits and training programs** across industries worldwide. His certifications include:
